

Quality Policy

The Cox Group recognises that the disciplines of quality, health/safety and environmental management are an integral part of its management function. The Group view these as primary responsibilities and as keys to good business in adopting appropriate quality standards.

The Cox Group quality policy calls for continual improvement in its quality management activities and business will be conducted according to the following principals.

The Cox Group will:

- Comply with all applicable statutory laws and regulations.
- Follow a concept of continual improvement and make best use of our management resources in all quality matters.
- Communicate our quality objectives and performance against these objectives throughout the Companies and to interested parties.
- Take due care to ensure that activities are safe for employees, customers, suppliers and any others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest quality standards.
- Adopt a forward-looking view on future business decisions that may affect quality.
- Train our staff in the needs and responsibilities of quality management.

It is the aim of The Cox Group that with the total involvement of all staff through the implementation and ongoing development of a documented Quality Management System meeting the ISO 9001:2015 standard.

The Cox Group will strive to exceed the expectations of our customers, staff and investors.

A handwritten signature in black ink, appearing to read 'Tony Page'. The signature is fluid and cursive, with a long horizontal stroke at the end.
